The Ellerbe Field consists of the Baptist churches of Ellerbe, Cartledge's Creek, Roberdel and Saron. Mr. Glossom will preach Sunday morning at Saron, Sunday afternoon at Dockery's and Sunday night at Ellerbe.

The Cordova school ends next Tuesday, but with no set program. The annual sermon to the school will be preached at the Methodist church at Cordova Sunday night by Rev. D. A. Clarke; which, by the way, is the beginning of a revival at that church.

The average attendance at this school the past year was 150. The faculty consisted of J. C. Terry, principal; Misses Effie Morrie, Vivian Lampley, Annie Smith and Ola Gibson.

MULE LOST.

That Darktown Wedding.

The alumnae of the N. C. College for Women netted \$142.00 for their alumnae fund by the presentation of a "Darktown Wedding" and minstrelsy in the opera house last Friday night. A local talent show is always appreciated and draws full houses, and this was no exception. It went off with a snap and bang, from the opening numbers of the jazz orchestra, through the monkey vocal duet by Robert Stansill and John Cole, down through the finale which was a genuine square dance number.

The local alumnae and teachers worked hard over this program. The "preacher" for the wedding, and an nouncer for the various events was Dr. A. C. Everett, of "Uncle Remus" renown. Every actor was thoroughly blackened and entered into the affair with hearty acquiescence. Especially good was the clog dancing of Harry Folkes, Jay Helms (and his occasional shimmy) and Watt Davis. Miss Groves did a nifty impersonation of floating through dim-curtained space. Miss Allen, another member of the faculty, as a short-dressed little girl (in fact, most all of the feminine persuasion might be mistaken for little girls if dresses are the indication) made a hit with her "pica-ninny" song. John Cole and Robert Stansill appeared on the stage for a song, leading two small monkeys (the property of a lady who lives near Hamlet); some in the audience were so unkind as to see a likeness between the two singers and their pets, and they are against the theory of evolution, too; the song started in fair fashion, but the behavior of the monkeys was not very seemly, and certainly Mr. Cole does not think so, and the song had to be held up until the animals could be removed from the stage.

The climax of the show was the "wedding" itself. The bride was Mrs. Howard Hartzell, and groom, Jimmie Fowlkes. Dr. Everett was the preacher; Mrs. John Morrison, Mrs. Corpening and various ladies and gentlemen of the town were garbed and blackened as attendants. At the conclusion of the "ceremony" the preacher "saluted" the bride, congratulations followed, the groom was kept from running away and the "entire" that followed was turned into a breakdown square dance.

As usual with home-talent shows, Bud McAulay was right there with his good humor and jokes. All in all, the audience spent an hour and a half of real enjoyment—fun such as only a home-talent affair can furnish.

Church-Clark.

Mr. Rufus Lee Church and Miss Essie Lee Clark were married Wednesday night at 8 o'clock at the home of J. T. Collier by Rev. Leon M. Hall. Only a few friends of the couple were present, Mr. and Mrs. Church leaving on No. 6 at 10 o'clock on a wedding trip to Washington; on their return they will board at Mr. Collier's.

Mr. Church is one of the operators for the Seaboard here, and is ticket clerk. His bride is a native of Laurinburg, daughter of Mr. J. C. Clark, and for the past two years or more she has been a most courteous and efficient member of the "Central" force of the Southern Bell. The friends of both these young people join in wishing for them every happiness.

The entire Hebron Sunday School attended the Sunday School convention of the Mt. Gilead circuit which met at Pee Dee school house Sunday. Quite a large crowd was present to enjoy a good dinner, and a number of interesting talks by various speakers in regard to Sunday School work. Before the adjournment, Hebron was voted on as the next meeting place for this convention, which will be the fifth Sunday in July.

The continued cold weather is causing the farmers in our midst to feel pretty blue about cotton. Some of them think that it will be necessary to plant the cotton over.

Messrs. P. S. LeGrand and Alexander Smith spent one day in Wadesboro last week.

Bob-o-link.

For Clerk of Court.

(Political Advertising)

Well, at last the question of the site for the new Court House has been settled, and the contract for the new building has been awarded. Most of us seem pretty well pleased at the final selection of the Franklin street location. And while there was good argument in favor of other locations, even those most opposed to Franklin Street admit that it does pretty well.

And that brings us to the next question, as to who we will select to go into the new Court House. And the second question is like unto the first question. There is pretty good argument in favor of all the candidates for the office of Clerk, but I am sure that if you will go ahead and give me this place, that most of us will be pretty well pleased at the final selection, and that even these most opposed to the suggested selection, will admit that it does pretty well.

First to establish the \$10.90 price—"Usco"

THE makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30x3 1/2 'Usco' is \$10.90."

The lowest price ever quoted on a tire of quality reputation and standard performance.

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the \$10.90 price range.

Perhaps you are wondering just what there can be either "new" or "special" about these tires.

It can't be the \$10.90 price—"Usco" established that five months ago.

Nor quality reputation and standard performance—for it takes more than one full season for any new tire to demonstrate where it stands in quality and value.

With so many tires rushing into this \$10.90 price

field (now that the season promises business from the American car-owner), it is worth remembering that "Usco" showed its good faith by announcing this price last fall.

The same intent to serve that has made "Usco" a standard value for years.

The "Usco" Tire was never better than it is today—with its established quality, its time-tested performance, and its price closely figured in time with the times.
